Kings Gate Association Gaming Policy

The Kings Gate Association, Inc. Board of Directors understands and realizes that card games, bingo, board games and other types of games of skill and chance may be an integral part of the social and entertainment life of a community such as Kings Gate Park. Participation in these activities by Park residents is whole heartedly recommended and games conducted on or within common areas should be available to all who wish to participate.

However, some games may have restrictions as defined by State and Local Laws especially if cash awards or prizes are distributed to participants. It is the position of the Board of Directors that those committees and /or individuals in charge of coordinating and overseeing these activities on the Association's leased or common property conduct them in accordance with the applicable rules and guidelines as defined by the Law.
